Table of Contents

- 1 Installing Google Checkout
- 2 Configuring Google Checkout
  - 2.1 Gateway Options

### Not Recommended

Google has officially retired Google Checkout as of November 20, 2013. This gateway is no longer included with Blesta.

## Installing Google Checkout

1. Visit [Settings] > [Company] > [Payment Gateways] > Available.
2. Click the "Install" button within the Google Checkout gateway listing.

## Configuring Google Checkout

To configure Google Checkout, visit [Settings] > [Company] > [Payment Gateways] > Installed, and click the "Manage" button for the Google Checkout payment gateway.
