About Perfect Money

Perfect Money is a popular European payment gateway. Learn more about Perfect Money on their website at <http://perfectmoney.is/>.

Installing Perfect Money

To install the Perfect Money payment gateway, visit [Settings] > [Company] > [Payment Gateways] > Available, and click the "Install" button for Perfect Money.

A message will be displayed, indicating that the payment gateway was successfully installed.

Enter the details provided by Perfect Money.

Field Name	Description
Payee Account	Your Perfect Money account number
Alternate Passphrase	The alternative passphrase is used for the calculation of the MD5 hash to validate payments.
Accepted Currencies	Check the currencies that you would like to be processed through this payment gateway. The following currencies are available: EUR, USD

When finished, click "Update Settings" to save the details. You have successfully installed and configured Perfect Money!
