Updating the Logo

To update the logo, visit [Settings] > [Company] > [General] > Customize. There are two tabs, the default, Staff, and the other, Client control staff and client logos respectively. This area allows to update the default Blesta logo, upload a new logo from your computer, or enter a URL to the image you want to use as the logo. It is possible to define a separate logo for the Staff and Client areas.

Customizing the Information Cards

To update the layout, visit [Settings] > [Company] > [General] > Layout. This area allows to re-organize, enable, disable, and modify the information cards in both the Staff and Client areas. The background color of the cards can be changed or replaced with an image by entering the URL to the image, as well as the color of the text inside the card. To replace the background color of a card with an image, click on the  icon and enter the URL of the image to be used.

The screenshot shows a 'Layout' editor interface. At the top, there are two tabs: 'Client' and 'Staff'. Below the tabs, there's a large grey rectangular area on the left with the text 'Drag the cards to the area to enable or disable them'. To the right of this area are four colored cards: 'Services' (orange), 'Invoices' (green), 'Orders' (dark grey), and 'Tickets' (blue). Each card has a small blue checkmark icon in the top-left corner, a large white '0' in the center, and a label below it. Below the 'Services' card is a 'Text Color' input field with the value '#fffaeb'. Below the 'Invoices' card, a color picker is open, showing a green color selection. Below the 'Orders' card is a 'Text Color' input field with the value '#edf6ff'. Below the 'Tickets' card is a 'Text Color' input field with the value '#edf6ff'. At the bottom right, there is a 'Save' button.
