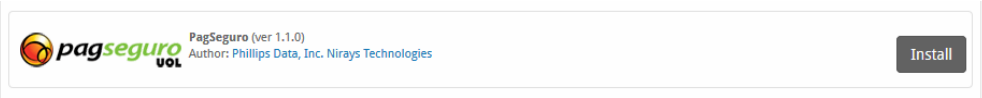
About PagSeguro

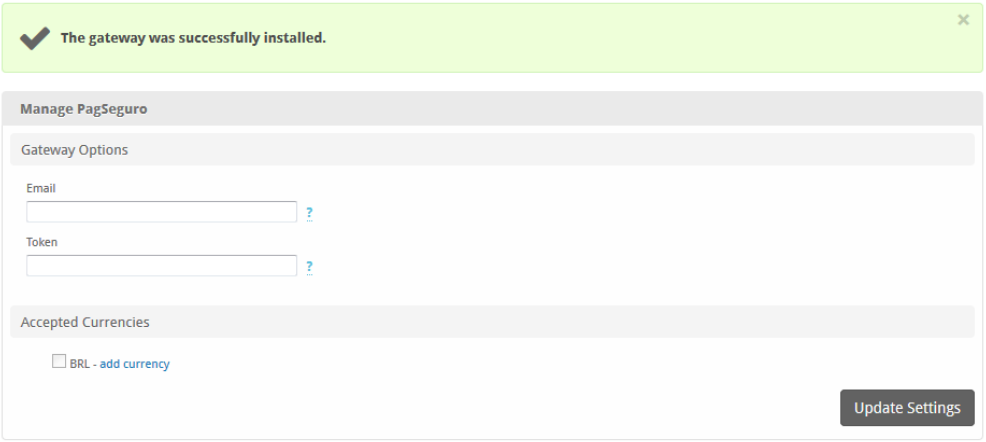
PagSeguro is a popular Brazillian payment gateway. Learn more about PagSeguro on their website at https://pagseguro.uol.com.br/.

Installing PagSeguro

To install the PagSeguro payment gateway, visit [Settings] > [Company] > [Payment Gateways] > Available, and click the "Install" button for PagSeguro.



A message will be displayed, indicating that the payment gateway was successfully installed.



Enter the details provided by PagSeguro.

Field Name	Description
Email	Enter your PagSeguro account email address.
Token	Enter the 32-character security token that you created in your PagSeguro account.
Accepted Currencies	Check the currencies that you would like to be processed through this payment gateway. **The following currencies are available:** BRL

When finished, click "Update Settings" to save the details. You have successfully installed and configured PagSeguro!
