Hi {contact.first\_name},

We tried to charge your {card\_type}, ending in {last\_four}, in the amount of {amount}, but it was declined.

Response Message: {response.message}

Please verify that the account details we have on file are correct.

We will attempt to charge your card again once a day until it is successful, up to three times.

The tags below are all of those available for this email template. For other email and tag customizations, see [Customizing Emails](#).

Tag	Description	Notes
{contact.first_name}	The contact's first name	
{contact.last_name}	The contact's last name	
{contact.email}	The contact's email address	
{company.name}	The name of the company, in Blesta, that the client belongs to	
{response.transaction_id}	The transaction ID given by the payment gateway	
{response.message}	The error message given by the payment gateway	
{amount}	The formatted amount processed with the gateway	e.g. \$15.00
{card_type}	The type of credit card used	e.g. "Visa"
{last_four}	The last four digits of the credit card number	

Due to the nature of tag objects containing several fields, many of which are likely irrelevant for use in email templates, but may be useful to you in certain circumstances, an example dump of the tag objects are shown below.
