About SagePay

SagePay is a popular UK payment gateway. Learn more about SagePay on their website at <https://www.sagepay.co.uk/>

Documentation

 This gateway does not ship with Blesta by default, but can be downloaded from GitHub [here](#).

Installing SagePay

To install the SagePay payment gateway, visit [Settings] > [Company] > [Payment Gateways] > Available, and click the "Install" button for SagePay.

A message will be displayed, indicating that the payment gateway was successfully installed.

Enter the details provided by SagePay. For info on where to find these credentials, see <https://test.sagepay.com/documentation/#getting-your-api-credentials>
